

23rd June 2020

Dear Parents/Carers

You will be aware that during the COVID pandemic, we have only been able to remain open for a limited number of highly vulnerable pupils.

We are sorry that some children have not been able to attend, during the COVID period. We hope that you have found the phone calls, online learning links and home learning packs useful.

It is important to mark special milestones in child's education in whatever way we can and in a safe manner.

We have made the decision to close to pupils on Monday 20th July.

The only pupils who will be allowed on site will be new Early Years starters in September and Year 6 pupils.

We will hold a leavers event in the morning and the Early years Introduction and visit event later in the day.

As parents will bring their child, we can only have a limited number on site at any one time due to social distancing rules.

I'm sure you will agree that the first and last day at primary school are incredibly important and as school leaders we want to allow this opportunity to happen, safely.

To confirm children will break up for the Summer holiday on Friday 17th July. We will inform transport.

Thank you for your continued support

Yours faithfully

A. Neale
