

6th July 2020

Dear Parents, Carers and Families,

I have been proud and privileged to lead the school through this year.

From the moment the COVID crisis began to impact upon us all, the school has remained a consistent place of safety for many pupils. The school governors and staff have supported our whole school community, on the chalk face and virtually, by phone or zoom!

Thank you to the families who have managed to motivate their children to work at home on the range of wonderful learning activities that the teachers have provided. Well done Parents! We have enjoyed seeing the photos on Class Dojo.

As the official Summer holiday approaches, please let your class teacher know if you need anything to work on over the break.

Year 6 Transitions

We have 16 pupils leaving at the end of term. We have been liaising closely with colleagues in our secondary schools, to ensure effective sharing of information; using transition packs of photo books, communication passports, virtual tours etc. If you or your child is particularly anxious about this, I recommend that you contact your designated secondary school with any specific queries.

End of Year Reports

Teachers have written comprehensive school reports for every pupil, which have been recently hand delivered to your door. Hopefully, you will get a good idea of what your child has learned at school and what they are working on, moving forward. The pupil outcomes data from Autumn and Spring terms, up until the crisis, showed really good progress for the vast majority of pupils and we are really pleased with the quality of Teaching, Learning and Assessment at Tiverton School. The hard work the staff have been doing on communication, phonics, reading, writing, and maths is having a positive impact upon our pupils learning and achievements.

Tiverton School community will welcome more pupils in September, in terms of provision, it is difficult to predict what school will look like. If social distancing remains, transport will be limited to pupil numbers, so we will take advice from the Local Authority.

However, I am very optimistic and we hope to see all of our children in September and ready to Learn, Enjoy and Achieve once again!

Please check our website under the news and events section for regular updates:
www.tiverton-coventry.org.uk.

Important Dates

Last school day to pupils Friday 17th July

Academic Year 2020-2021.

First school day for pupils: Thursday 3rd September

(Tues 1st and Wed 2nd September Staff training)

Yours sincerely

A. Neale
